About the Book

My favourite book is *Harry Potter and the Philosopher's Stone* by J.K. Rowling. It tells the story of a young boy named Harry who discovers he is a wizard and begins his journey at Hogwarts Schools of Withcraft and Wizardry. I love this book because it combines **adventure, friendship, and magic in a way that makes readers of all ages feel like they are part of the story. Every time i read it , i find something new to enjoy, which is why it remains my all-time favourite.**
